Good Afternoon Leaders,

We have received several Religious Accommodation requests that are either missing documentation or are in the incorrect format. Please ensure that every package has the following paperwork prior to submitting them to the Regiment.

1. The Marine requesting a Religious Accommodation must use the NAVMC 10274.

2. Every package must have a Chaplin checklist and a Chaplin Memorandum (Please review the COVID Inoculation Refusal PDF for both Chaplin checklist and Chaplin memorandum template).

3. The Battalions must endorse every package.

4. Requester's are allowed to attach supporting documentation to their packages.
